

# Life in Elizabethan England 200-pt. Team Speech Assignment

You and a partner will research one area of life in Elizabethan England (Queen Elizabeth reigned from 1558-1603; William Shakespeare lived from 1564-1616) and present your findings in a dynamic 3-to-5-minute presentation next week. You should focus on the six most interesting facts from your research and prepare a speech in which you educate and entertain your audience.

Your speech must include a visual aid, in the form of either a Powerpoint or Prezi.

#### Requirements:

- Visual aid must include at least six slides (or “clicks,” if using Prezi)
- No more than 50 total words on the visual aid (the bulk of the info. should come from you, not the slides)
- Each person may use one notecard with a few key phrases written on it – no more than 25 words per card
- A properly formatted works cited page needs to be given to me on the day of your presentation
- Presentation needs to be between three and five minutes in length (inability to hit the time window will result in the loss of 20 points, or 10 percent of possible points)

Blank rubrics will be available for you to preview during our work in the computer lab tomorrow.

Now, let's figure out which team is researching which topic...
